To Brokers and Salespersons:

The licensing of a real estate broker or salesperson is an endorsement to the public that the licensee is an honorable, trustworthy person, knowledgeable in the field of real estate. In accepting licensure, you are committing yourself to protect and promote the best interest of your principal, and at the same time be honest, fair and just with the purchaser of real estate. This commitment must be of primary concern to all licensees.

Your cooperation with the Board in detecting and exposing violations of the Real Estate License Law and unlicensed real estate operators will be a service to the public, yourselves and to the State of Montana. Violators of the License Law jeopardize your standing in the community and are detrimental to the public interest.

FOREWORD

The Montana Board of Realty Regulation publishes this Directory pursuant to the Real Estate License Act of 1963, as amended, and as a source of information to those engaged in the real estate business and other interested persons. This Directory is not intended for use by private parties as a mailing list; no permission has been granted for such use.

The use of materials compiled by a state agency as a mailing list of private parties without permission of those in the roster, is prohibited by CH 606, Laws of Montana, 1979.

A list of all licensed real estate brokers and salespersons as of January 1, 1983, is included in this publication. Brokers are listed in alphabetical order by counties in the State, with their salespersons listed directly below.

The Board is appreciative of the cooperation received from the public and the profession in administering the real estate law in the past. It is the desire of the Board to administer the law in a manner that maximum protection may be afforded to the public and the licensee. This objective can be maintained only through the continued and close cooperation of the public and the profession.

Any problems, complaints, or requests for assistance should be addressed to:

37-51-304. Bond required for licensure of broker or salesman. No license may be issued or renewed until the applicant for a broker's license or salesman's license has filed a bond with the department in the sum of $10,000 executed by a surety company authorized to do business in this state in a form approved by the board and conditioned that the applicant, if and when licensed, shall conduct his business and himself in accordance with this chapter and shall pay, to the extent of $10,000, judgments recovered against him for loss or damage to a person arising in the course of the applicant's practice as a real estate broker or salesman. Bonds given by licensees under this chapter, after approval, shall be filed and held in the office of the department. If, for any reason, the bond of a broker or salesman is canceled or voided, the license of the broker or salesman is automatically suspended until the broker or salesman is again fully bonded and the bond has been approved by the board. If the suspension is not terminated by rebonding and approval within 30 days from the date of suspension, the license of the broker or salesman is automatically revoked.

History: En. Sec. 10, Ch. 250, L. 1963; amd. Sec. 4, Ch. 261, L. 1969; amd. Sec. 184, Ch. 350, L. 1974; amd. Sec. 15, Ch. 101, L. 1977; R.C.M. 1947, 66-1933.

(1) It is unlawful for a licensed broker to employ or compensate, directly or indirectly, a person for performing the acts regulated by this chapter who is not a licensed broker or licensed salesman. However, a licensed broker may pay a commission to a licensed broker of another state if the nonresident broker has not conducted and does not conduct in this state a service for which a fee, compensation, or commission is paid. This subsection does not limit the next subsection.

(2) A nonresident of this state actively engaged in the real estate business who maintains a place of business in another state and who has been licensed in the other state to conduct this business in that state may obtain a license as a broker in this state by complying with this chapter. However, this section applies only to brokers of those other states which offer the same privileges to the licensed brokers of this state. The nonresident licensee need not maintain a place of business in this state. The board may authorize the department to license a nonresident broker without examination if he files with the department an authorized or certified copy of the license issued to the nonresident for conducting this business in another state and pays to the department the same license fee as is

required for obtaining a broker's license in this state. The board may in its discretion refuse to authorize the department to issue a broker's license to an applicant who is not a resident of this state.

(3) A nonresident broker shall file an irrevocable written consent that legal action arising out of a commenced or completed transaction may be commenced against the nonresident broker in a county of this state which may be appropriate and designated by Title 25, chapter 2, part 1 The consent shall provide that service of summons in this action may be served on the department for and on behalf of the nonresident broker, and this service is sufficient to give the court jurisdiction over the nonresident broker and his salesman or agent conducting a transaction in a county The consent shall be acknowledged and, if made by a corporation, shall be authenticated by its seal.

(2) When a licensed salesman desires to change his association or contractual relationship from one licensed broker to another, he shall notify the department promptly in writing of these facts, pay the required fee, and return his license and pocket card, and a new license and pocket card shall be issued. No salesman shall directly or indirectly work for or with a broker owner until he has been issued a license to work for or with that broker owner. On termination of a salesman's association or contractual relationship, he shall surrender his license and pocket card to his broker owner who shall return them to the department for cancellation.

(3) Only one license shall be issued to a salesman to be in effect at one time.

(4) A broker associate may not be associated with more than one broker owner.

37-51-310. Annual renewal. Annual fees are due and payable for the ensuing year during the month of December of each year.
